The B. C. Fire Dept gives a Grand Excursion to Lagoon July 19.

The Sugar City Times gives an account of the elaborate preparations made to receive Leon Taylor and his charming young bride, Miss Brown of Lehi, on their arrival at Sugar City a few days ago. The program arranged was to secure a cart and a gentle horse to be led with ribbon strings by two small boys, three banners were painted to be tacked on the cart, bearing the following inscription: "Fa says 'Be good to her,' 'The yellow cow is ours now,' 'We're happy now.' The arrangements were all completed and an abundant supply of rice and old shoes secured. But for once the train was on time and the crowd failed to arrive at the station in time to follow out their plans. Notwithstanding this, Scalley, one of Taylor's intimate friends, gave them a little shower of rice as they came up Center Street. After an investigation the people were surprised to learn that the lady's name is still Miss Brown and that she will return to Lehi in a few weeks.

### Sudden Demise of W. A. Ray.

#### Pioneer Merchant Summoned.

Remains Shipped to Salt Lake City for Burial, Early Friday Morning.

W. A. Ray, one of our pioneer merchants and highly respected citizens, was suddenly called to the great beyond a few minutes after 7 o'clock Thursday evening. The entire community was shocked when the sad news was announced.

The cause of his death was Cerebral Hemorrhage; over-exertion and extreme heat being contributory causes. During the day he was in the best of spirits and chatted to his friends in his usual characteristic manner.

He called at this office about 3 p. m., stating he desired to publish an article in this week's issue, saying he would prepare it in a short time. The article remains unwritten. Many people conversed with him during the day and were indeed shocked to hear of his sudden death.

He was leveling gravel at the north side of his establishment when the shock came. He retired to the house and Dr. Francke was immediately summoned and did all in his power to revive him, but his time had come and he passed peacefully away at the hour stated above.

It was a severe blow to Mrs. Ray and her little son Paul, who were present at the bedside. A host of friends came to comfort the sorrow-stricken widow and son who were hardly able to bear their grief.

Mr. Ray was 57 years of age, a good husband and father and an honest man. He was one of the pioneer merchants of our town and has won a host of friends in this city who express their sympathies to the bereaved family. Telegrams were sent to the children, Miss Minnie Ray being in California. Lucian A. Ray, Wm. Ray and wife and Don Ray of Salt Lake, children of the deceased, came up on the midnight train Thursday. The body was embalmed by Jos. W. Taylor and shipped to Salt Lake Friday morning. Mrs. Ray and children accompanied the remains to Salt Lake where funeral services will be held Sunday. It is expected that Miss Minnie Ray will be home from the coast to attend the services.

The deceased leaves a wife, four sons and one daughter and a host of friends to mourn his loss. We extend our heart felt sympathy to the bereft family in this their hour of trial.

The Foulger Studio is prepared to do all kinds of work in photography. 2t

### The Smoot Case.

G. M. Hanson, private secretary to Senator Sutherland, has returned from the strenuous life at the nation's capital at Washington, to enjoy a few months of rest at his home in this city before resuming his work of the next session of congress. George is looking well after the hard campaigning which characterized the recent session of congress. His wife returned with Mrs. Sutherland, and will join him in Ogden, where the family will remain until January.

In a conversation with Mr. Hanson today, George was asked whether, in his opinion, Senator Smoot would be unseated. "I don't have any doubt at all that Senator Smoot will not be unseated," was his reply.

"The Republican party is lined up behind him, contrary to the reports that have been printed by certain newspapers and certain big Democrats, with Senator W. A. Clark of Montana, at their head, have given him their support. The Smoot case will come up for hearing again during the early part of the session in the spring of 1907."

"What is the general feeling with regard to Smoot in Washington, so far as you have been able to interpret it?" was asked him.

"There is a decidedly friendly feeling for him. He is well liked personally and is considered a conscientious man in public life. For his lovable personality his friendship is valued, and there isn't a senator who doesn't like him as a man.—Int. Mt. Republican.
